ACT I

OPENING EXTRAVAGANZA

See the color . . . the excitement . . . all the fun and fantastic things Carter has going . . .

ACT II

PARADE OF STARS

All the students . . . in the spotlight . . . your favorites . . . those who represent you . . . what they've done . . .

ACT III

CLOWNING AROUND

What people are up to . . . at school . . . away from school . . . alone . . . with friends . . . who's who . . . get into the action . . .

ACT IV

ANIMAL TAMERS

Your teachers . . . the ones you admire . . . and others . . . what they do in their spare time . . . conducting class.

ACT V

TROUPES IN ACTION

The clubs . . . their activities . . . see the members . . . their leaders . . . remember the fun . . .

ACT VI

ATHLETIC ANTICS

Read about the games . . . the matches . . . learn about the players . . . girls and guys . . . how they did . . . never ending competitive spirit . . .

ACT VII

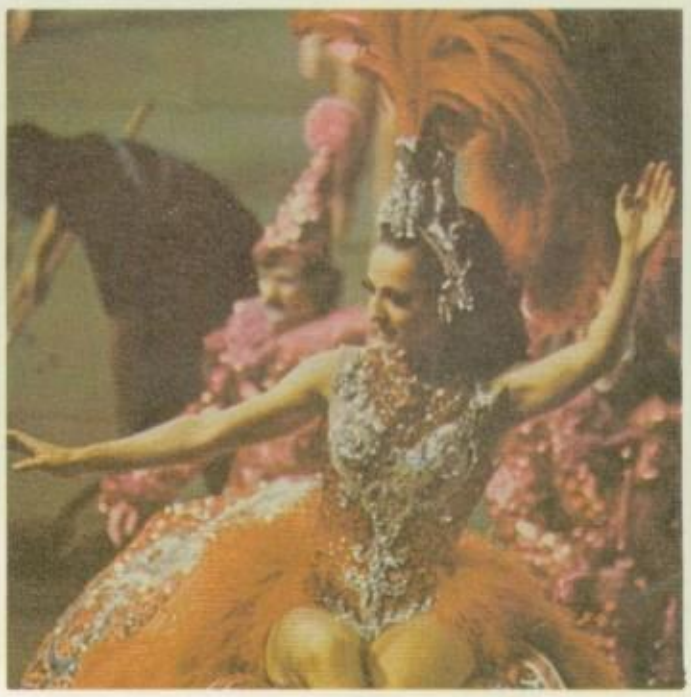
CIRCUS SPONSORS

Who supports Carter . . . what they have to offer . . . loyal fans . . . new ideas for you . . .

ACT VIII

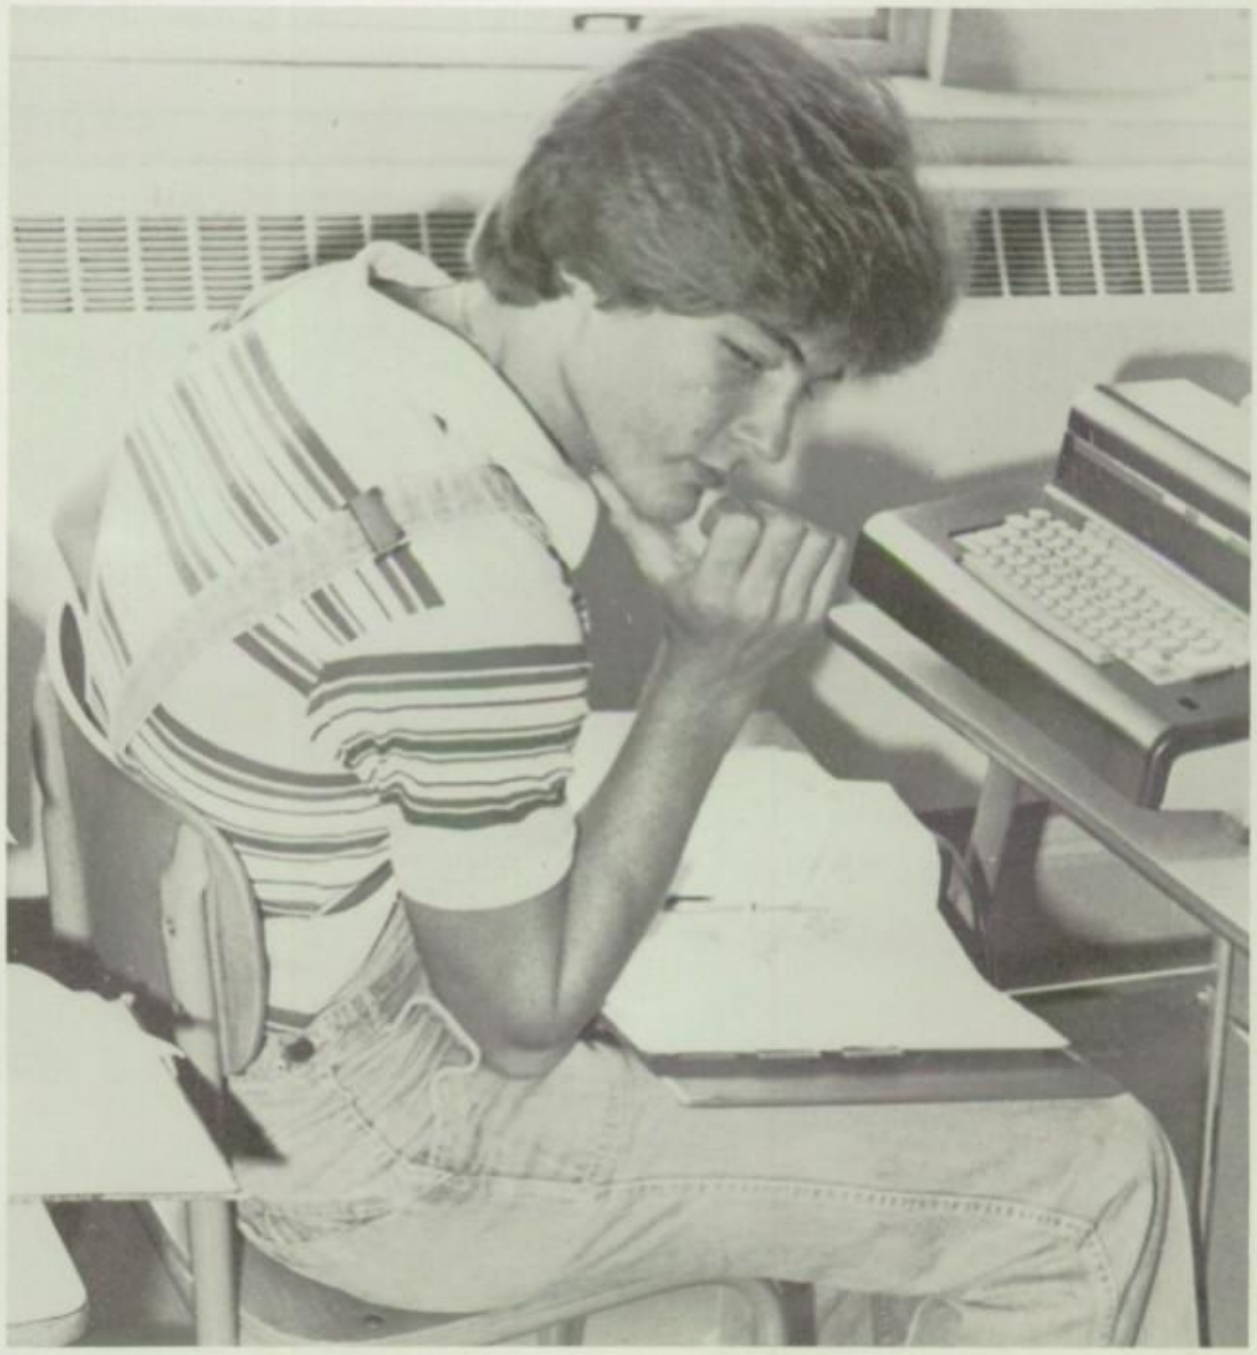
GRAND FINALE

See your name . . . where you are . . . and others too . . . alphabetically . . . what an ending . . .

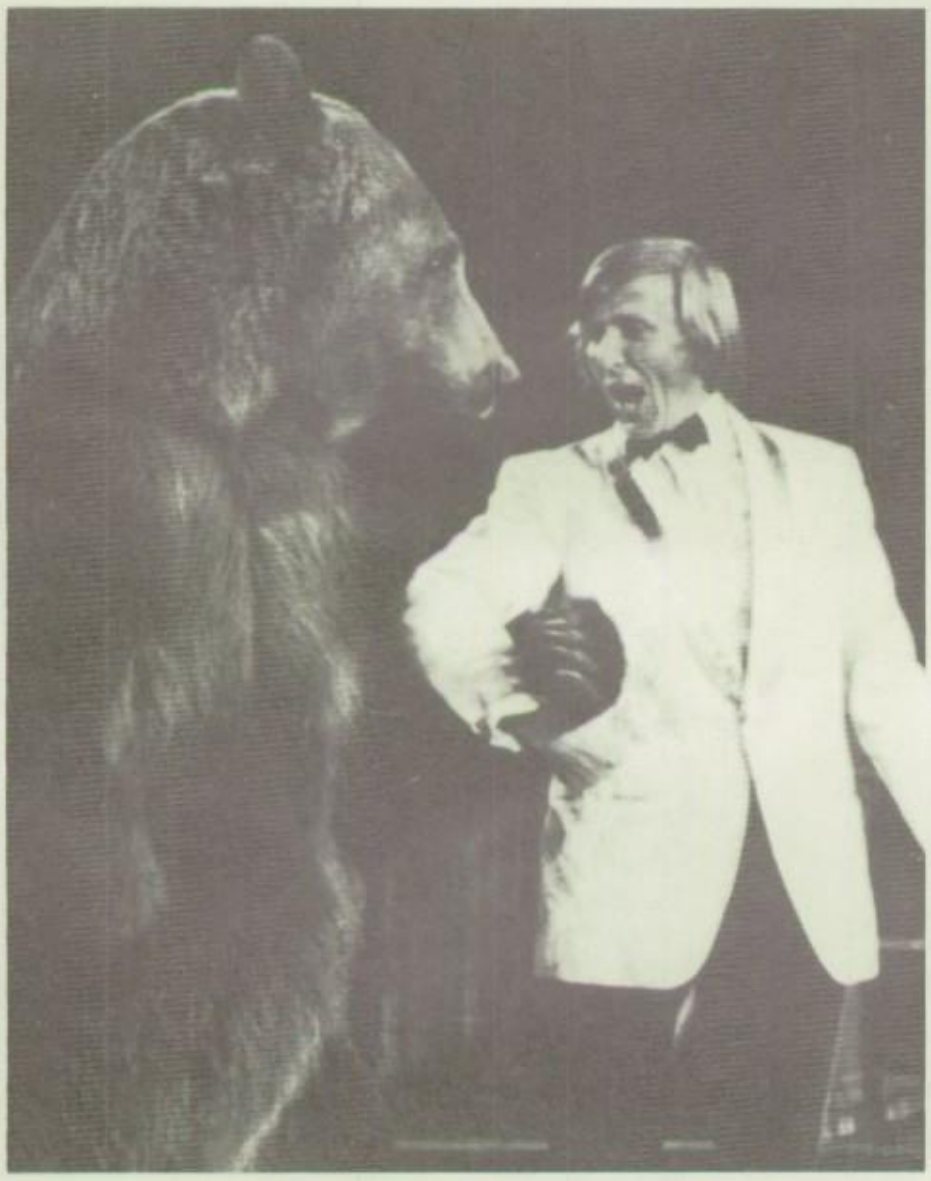


We all dream of great deeds

. . .

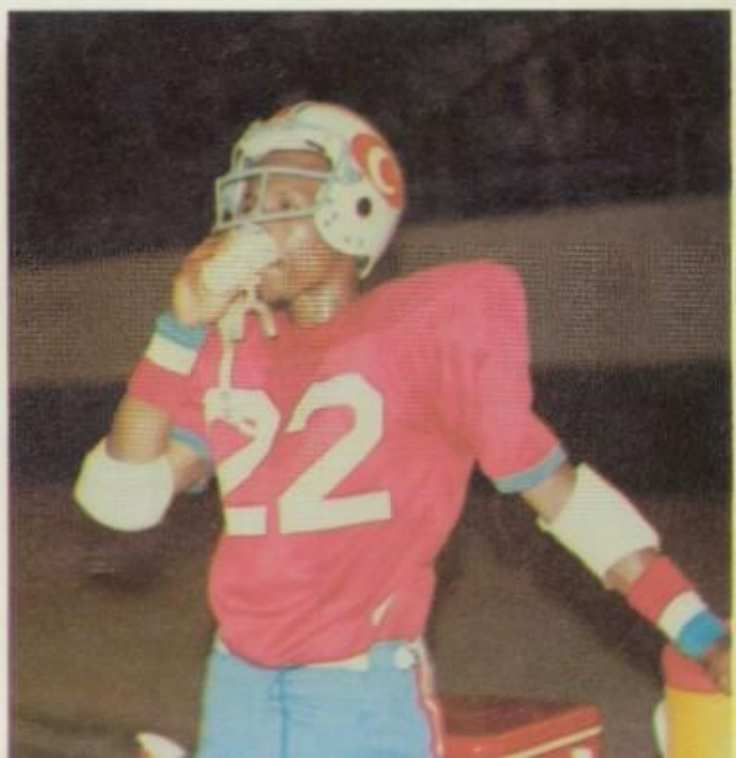


. . . and high positions,
away from the pettiness and
humdrum of ordinary life.



Yet success is not occupying a lofty place or doing conspicuous work; it is being the best . . .

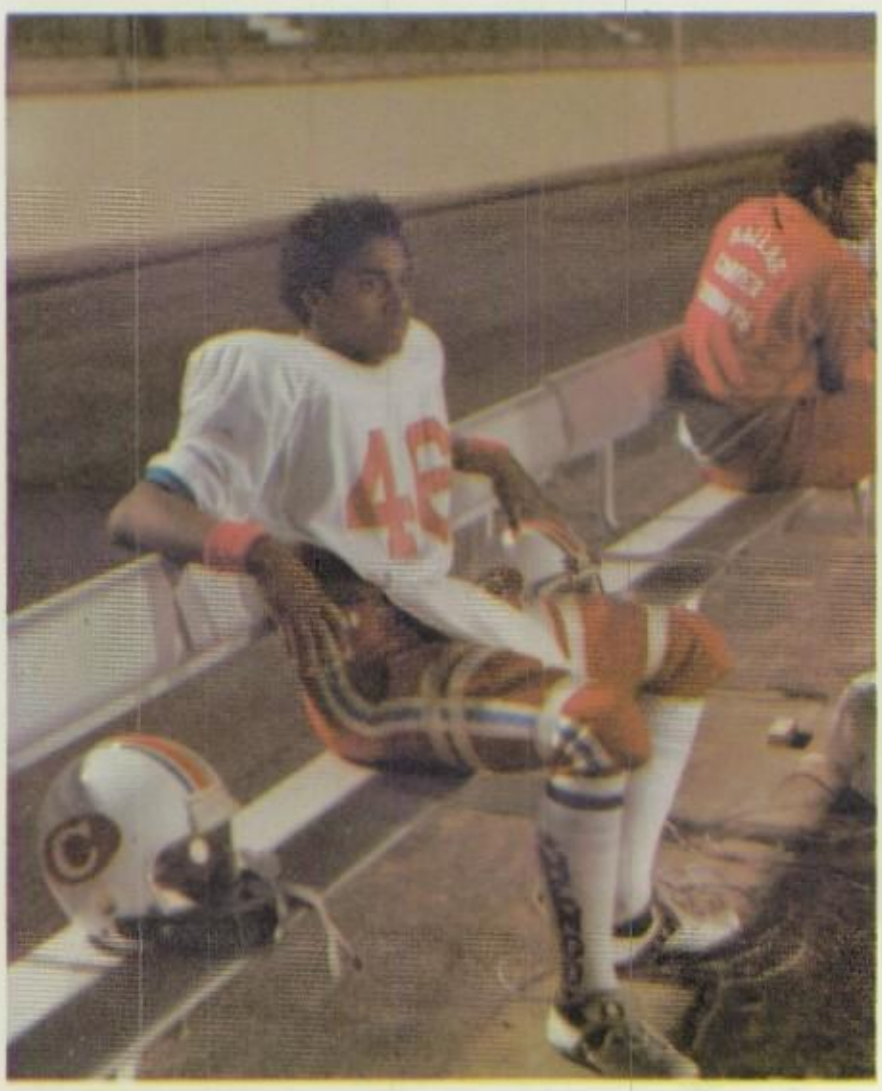
. . . that is in you.



Rattling around in too big a job is worse than . . .

filling a small one to overflowing.

Dream, aspire by all means; but do not ruin the life you must lead by . . .

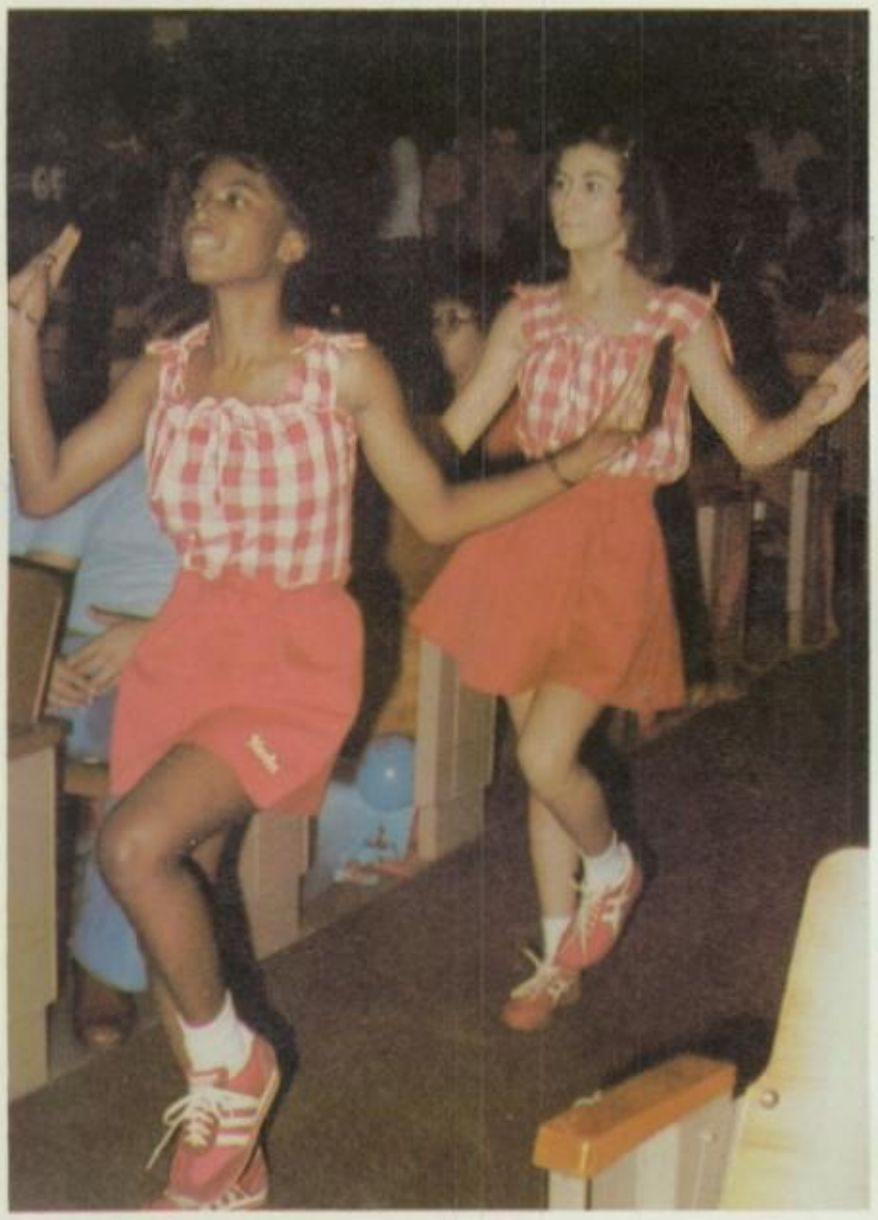


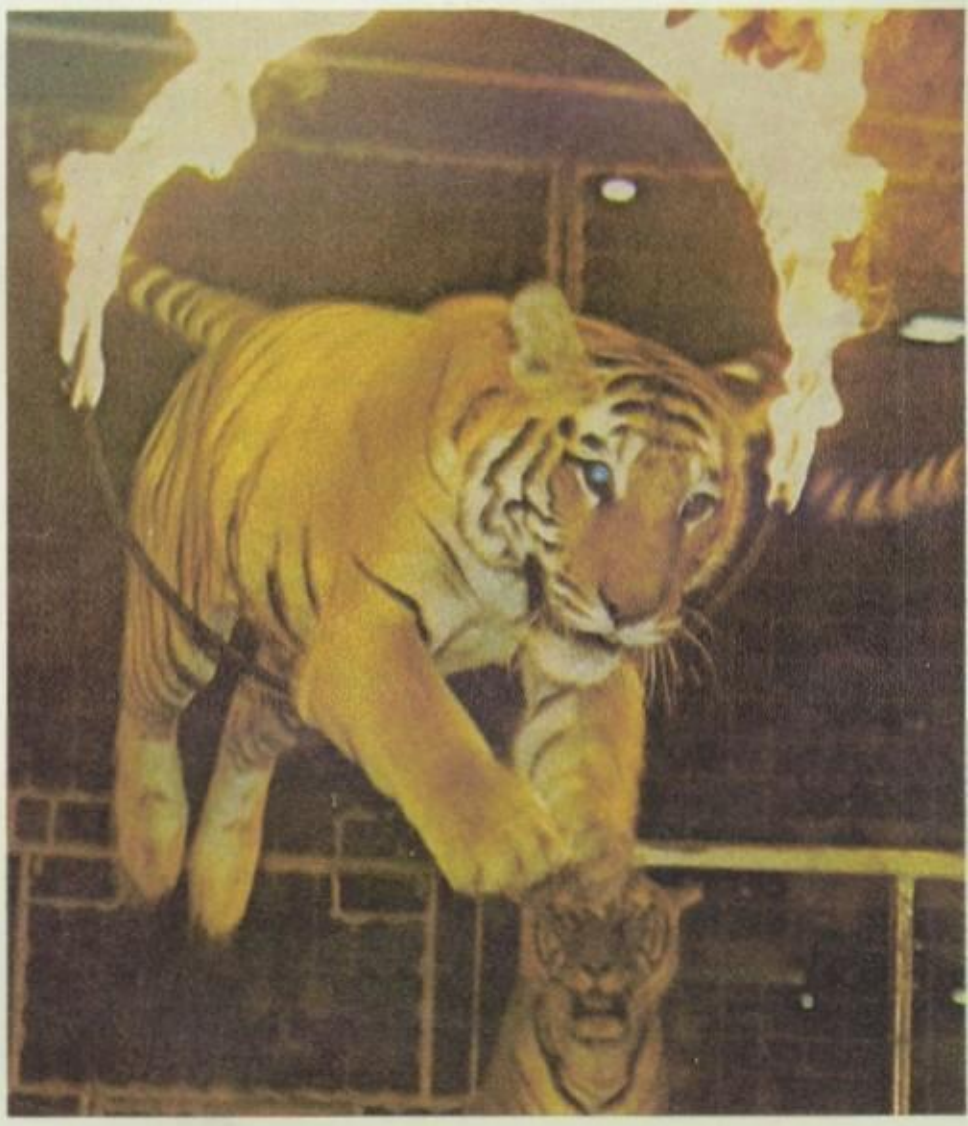
. . . dreaming pipe dreams of the one you would like to lead.

Make the most of
what you have . . .

. . . and are.

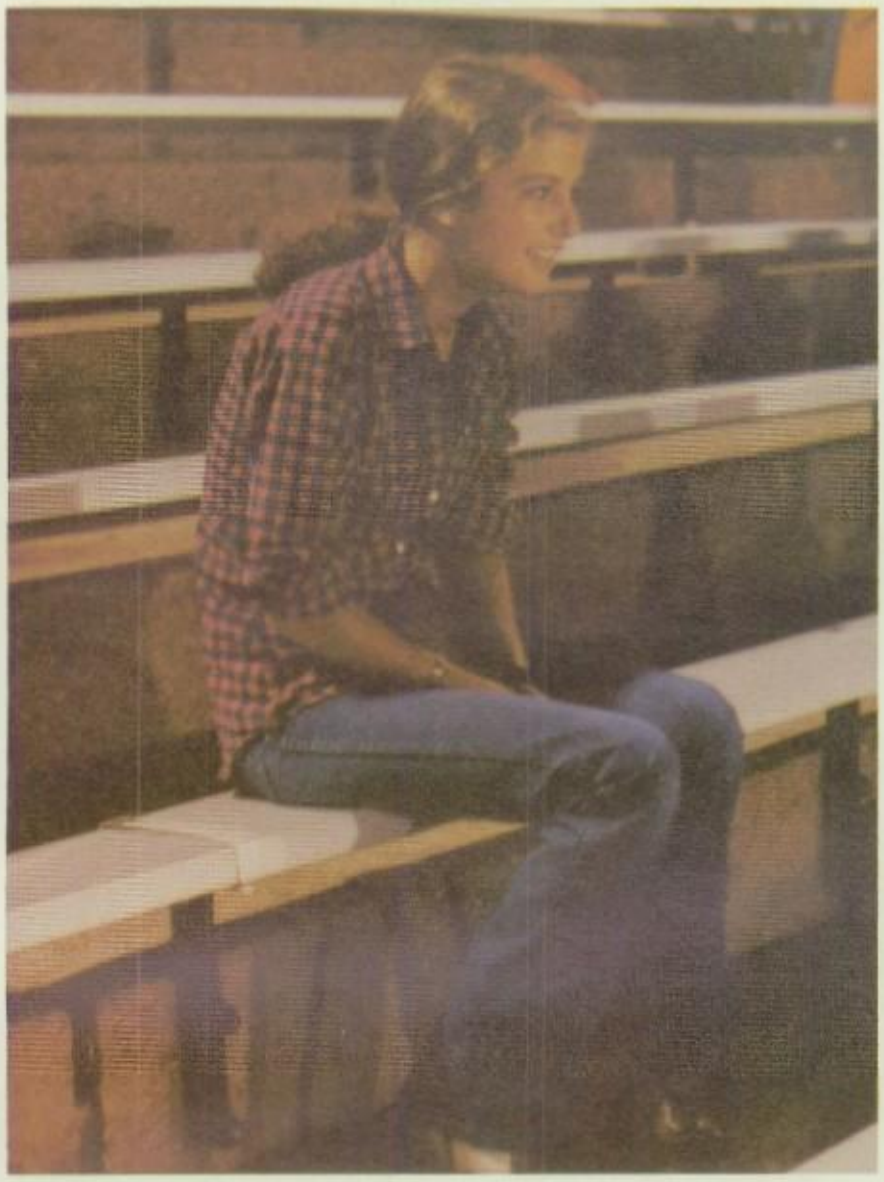
Perhaps your trivial immediate task is your one sure way of proving your mettle.





Do the thing near at hand

. . .



. . . and great things will come to your hand to be done — Douglas Malloch

PARADE OF STARS

The students of Carter can be proud of their leadership in desegregation. Involved students have worked hard in solving situations with which other schools are still working. The students who have volunteered for Fundamental School expressed a willingness to work harder, study more, and exhibit better behavior in order to get a better education. School spirit, involvement, and cooperation are the qualities that prove that

"CARTER HAS A GOOD THING GOING."

Sr. '79

I catch more raindrops this way.

We're so photogenic

I love you too, Kevin

Pernille Seemann-Hansen is a sr. foreign exchange student from Denmark. She arrived in Dallas at the beginning of August, and will be here until mid-July.

She enjoys going to Carter because the people are all so nice. She had a good time this year playing on the soccer team as center forward. In her spare time she enjoys going to athletic events and the discos. Her favorite pastime is still, of course, traveling.

Would you believe I'm speechless! Well we made it! But this is only the beginn Congradulations on your graduation. As you go on to achieve your goal in education and Career remember that sucess is to be measu not so much by the position that on has reached in life as by the obstac which he has overcome while trying to succeed. Always strive for the best life has to offer. I can't picture you with anything less. Always keep your winning smile and don't let anything bring you down. Keep God first in yo life. as well as faith. Wishing you much success
and happiness throughout life.
(Now for the MUSSEY stuff!!!) Well it's
been quite some time. (Some time! 4 years!!)
and you finally notice that I was
trying to tell you something! (Took you
long enough!) Do you remember the
first time we went out? (The either)
but we have had some really great
times together. Well, as they say, all
good things must come to an end.
(I would rather think OUR RELATIONSHIP AS
going on A CRUISE, like LOVE BOAT!!! SMILE)
But we can always look back and
reminice on the wonderful moments
we have shared. (Also the not so good
times, like the time you . . . oh, never mind!)
I hope you will never forget me. (After
4 years I should be embeded in your head!)
Don't forget to write. You should have alot
to write about. (4 years) SMILE!
Keep in touch!

Love ya always,

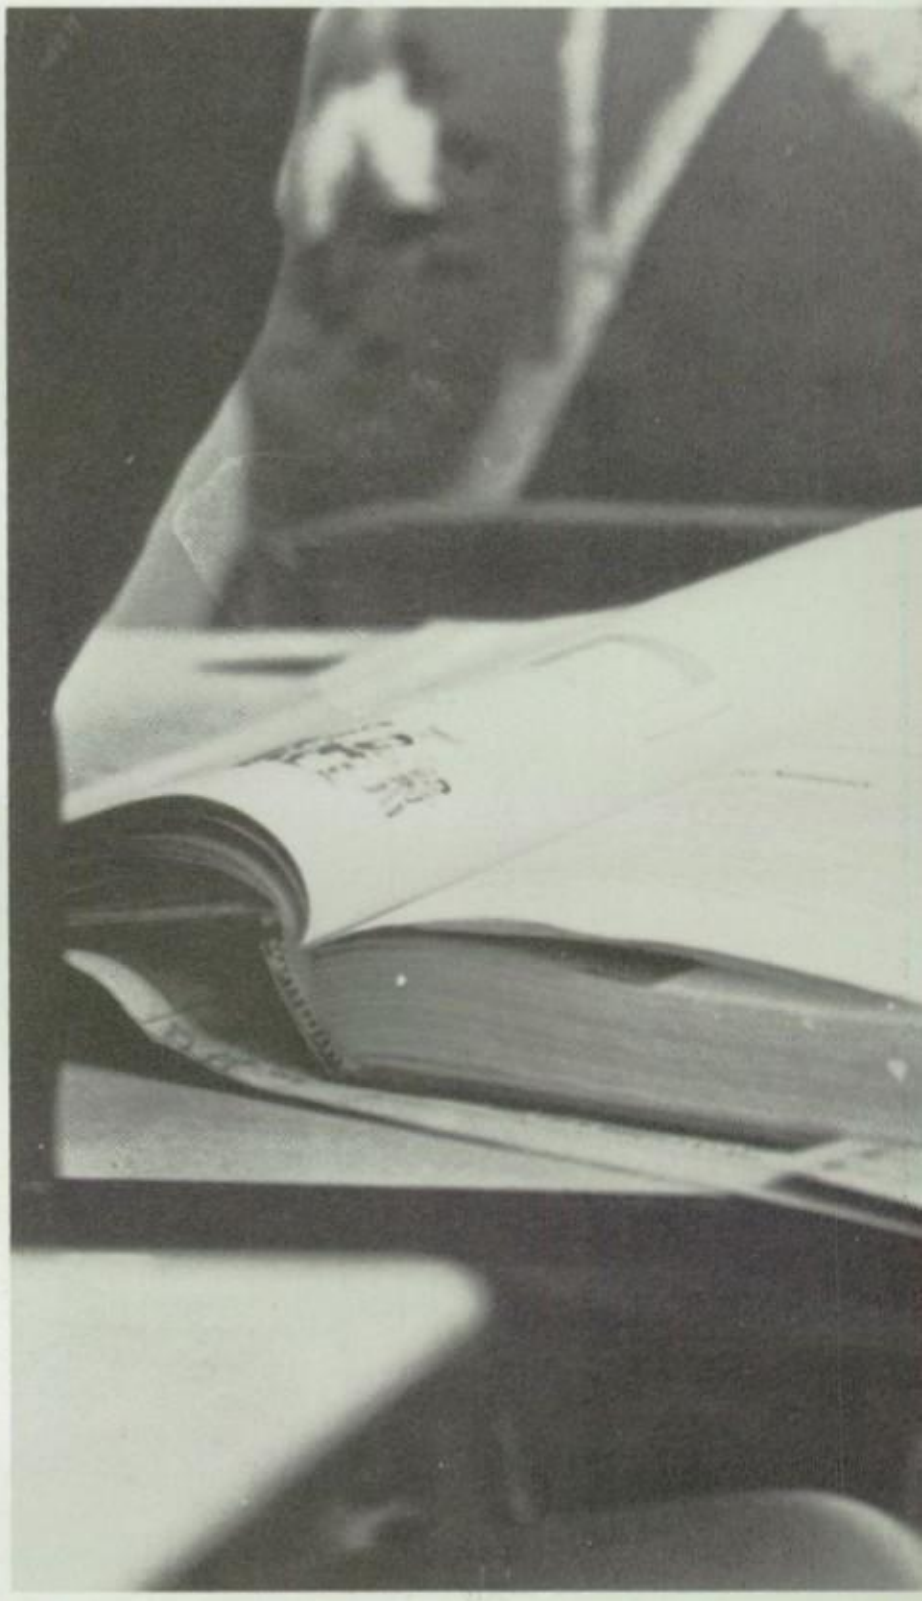
FUNDAMENTAL

What did you get for number 14?

Where are my notes?!

THE SYMBOL O



Fundamental school means studying hard.

This is the second year of the fundamental school at David W. Carter. It is better than ever and has a great influence on the whole school.

HE SCHOOL

The fundamental school has provided opportunities to udy, learn, and observe new things. Many special assem- lies have been provided for fundamental students.

Cramming for a test.

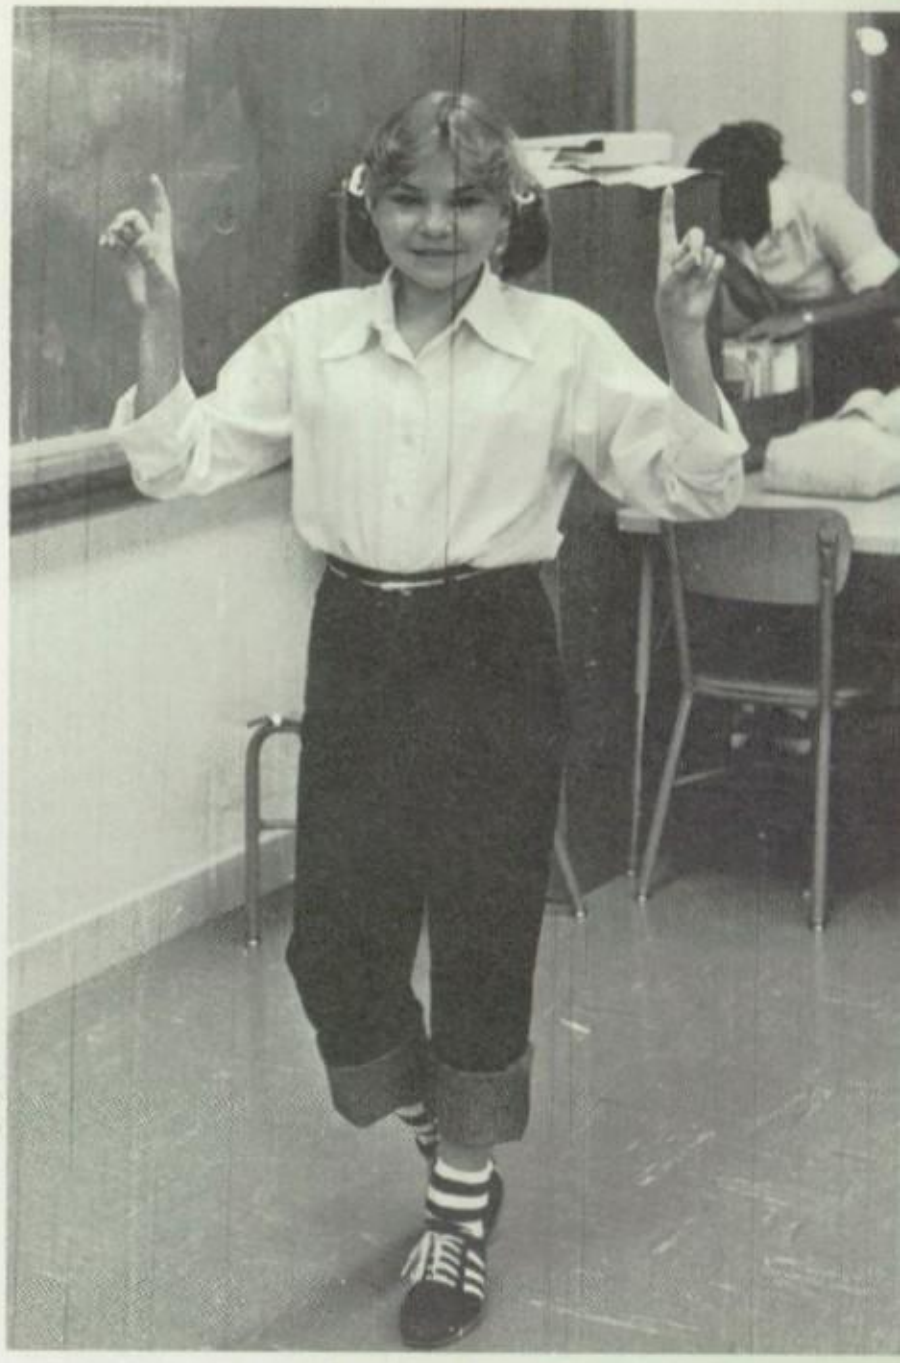
Lots of concentration involved on this test.

This book smells funny.

"BOPPING AND STROLLING ROCKING-N-ROLLING"

On the 15th of September, time at David W. Carter turned back to the happy days of the 50's. Almost everyone came to school in 50's attire, and that evening they gathered in the lunchroom for a dance. A good time was had by all.

The teachers get in on the act.

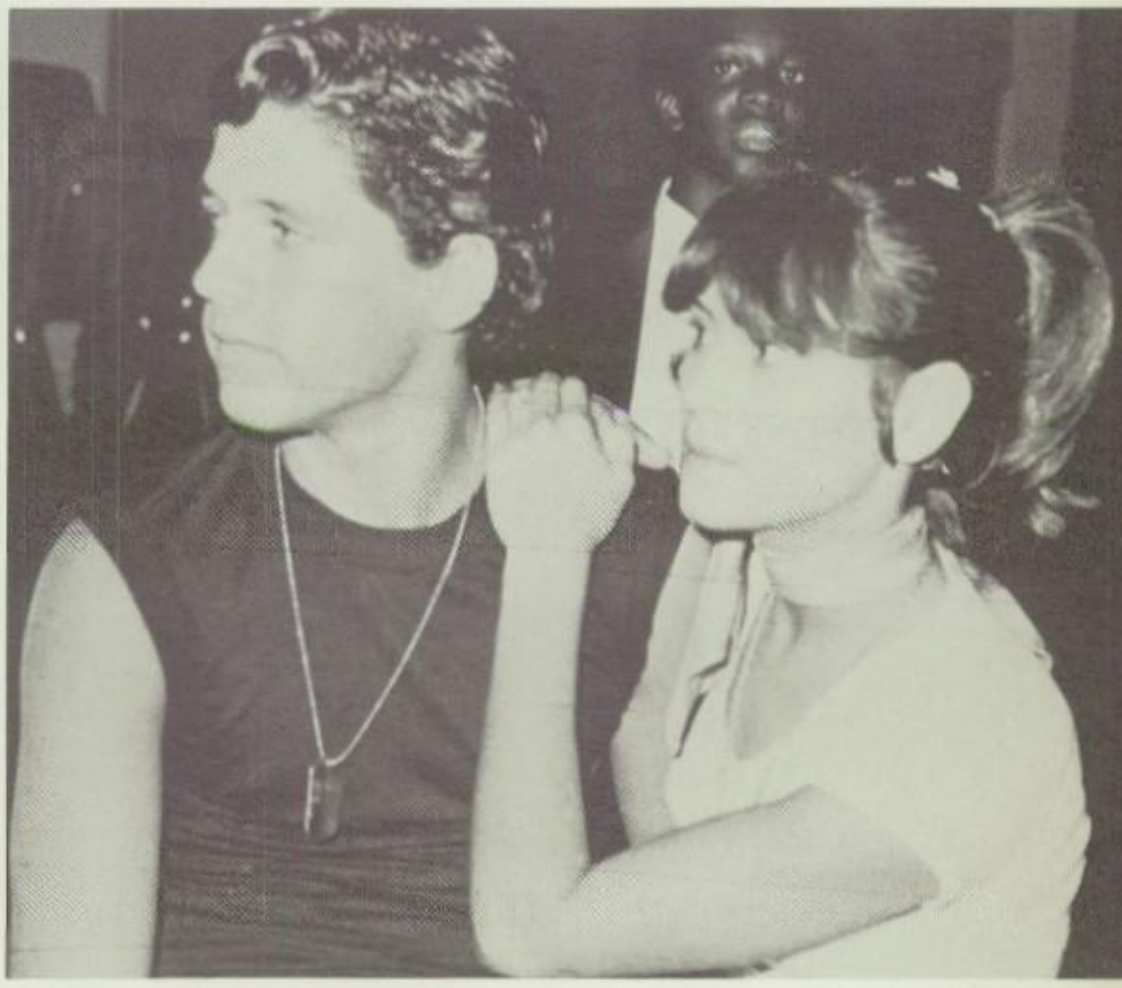


Look out Fonzie!!

He likes her?!

Oh Molly My Foot!!!

Ehhh . . . What a nurd!



Please don't get into that fight.

Let's all lean to the left.

He didn't ask me to the hop.

COWBOYS GIVE A HOOT AND A HOLLER

Calicos doing their Thing!

I have to go to the bathroom.

How bad is your pass?

Oops! I forgot my bloomers.

BETTER THAN A CIRCUS PARADE

You better not have forgotten the routing!!

He's so grand.

Calico's making their long march.

You should have gone before the parade.

FLAG DAY

On November 13, Carter held a Veterans Day observance. The JROTC, drill teams, and senior Calicos marched as the band played. Following the music, Mike Winkelman, Brayde McClure, and Mr. Trapp presented the program. To end the ceremony, "Silver Taps" was played as the JROTC raised the flag.

A quiet moment as the flag goes up.

I wish the ROTC would stop hogging the show.

Modeling their Hagaar vested suits are . . .

At ease.

EFFECTIVE COMMUNICATOR OF THE MONTH

Dr. Hughey gets the honor one month.

I think they spiked the punch.

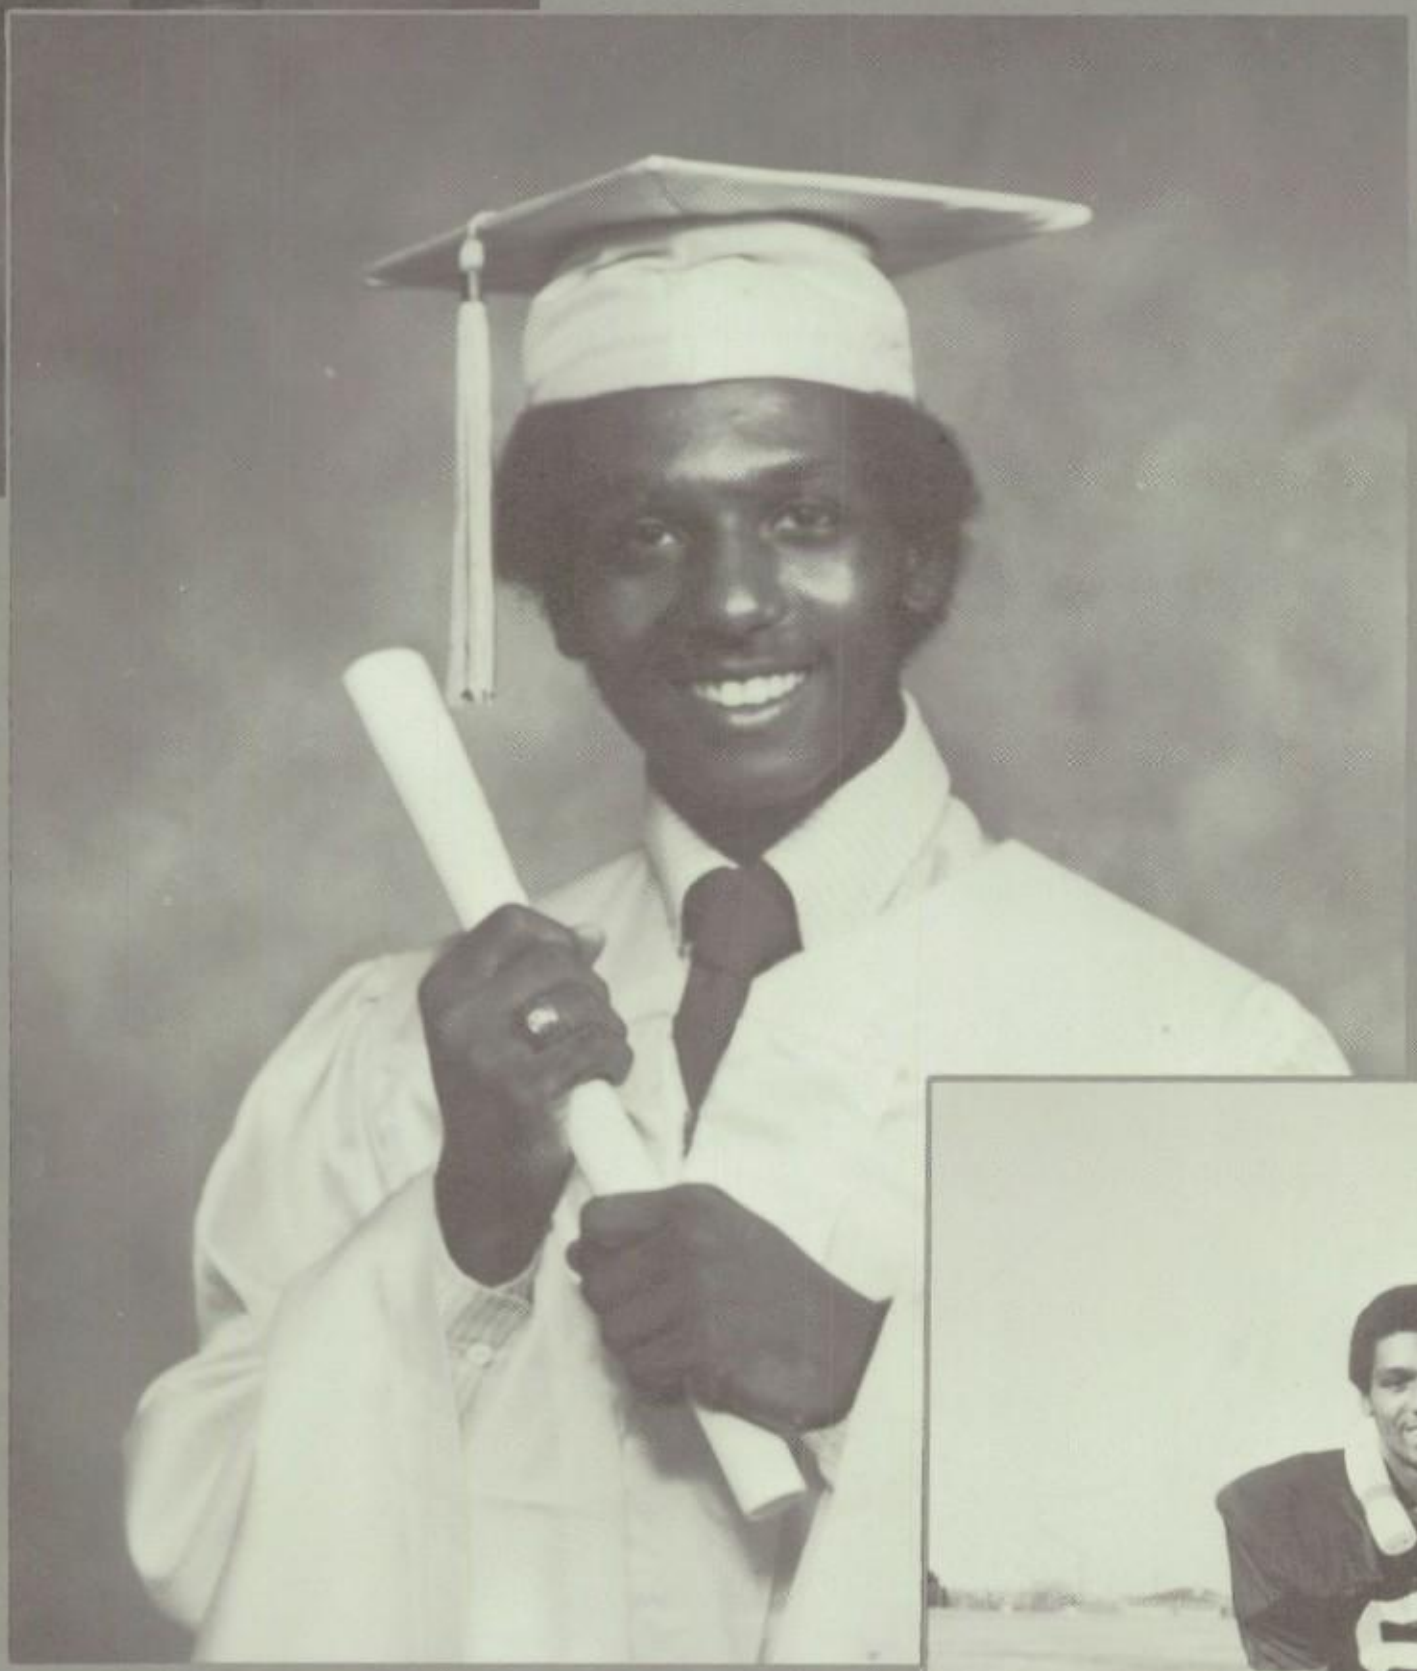
Mr. Traylor, also, gets the honor.

An early morning banquet for Mr. Traylor.

Coach Gillum loves his award of KOOL-AID.

SENIOR OF 1979

The wait was a long and a tough one.
But I made it.
I can look back, marvel at what I've done.
At times I wanted to quit.
"She was my toughest teacher", I thought.
But I look again.
They were *all* tough.
Each book opened my eyes to a new and wonderous thing.



Before I look ahead,
must I look back.
Before I look back,
must I look
around.
I see the person I've
come to be,
The person I am, and
what I've done.
Now I can tell myself,
"Look at me.
I made it!"

Morris Burgess, Jr.

ME, MYSELF; AND I

Phyllis Inez Nobles

Twelve long, hard years . . . I have struggled and have succeeded: As a senior, my eyes are opened. I can see what Carter High School has done in the past for Steve and recently for me. A facility which turns out such responsible young people deserves to be congratulated, appreciated, and preserved. I would especially like to thank Gloria King, Hallie Jackson, James Hillery, Bob Campbell, and Virginia Farr. Most of all, thanks to my mother, Faye Nobles.

PTA GIVES SR. PARENT DINNER

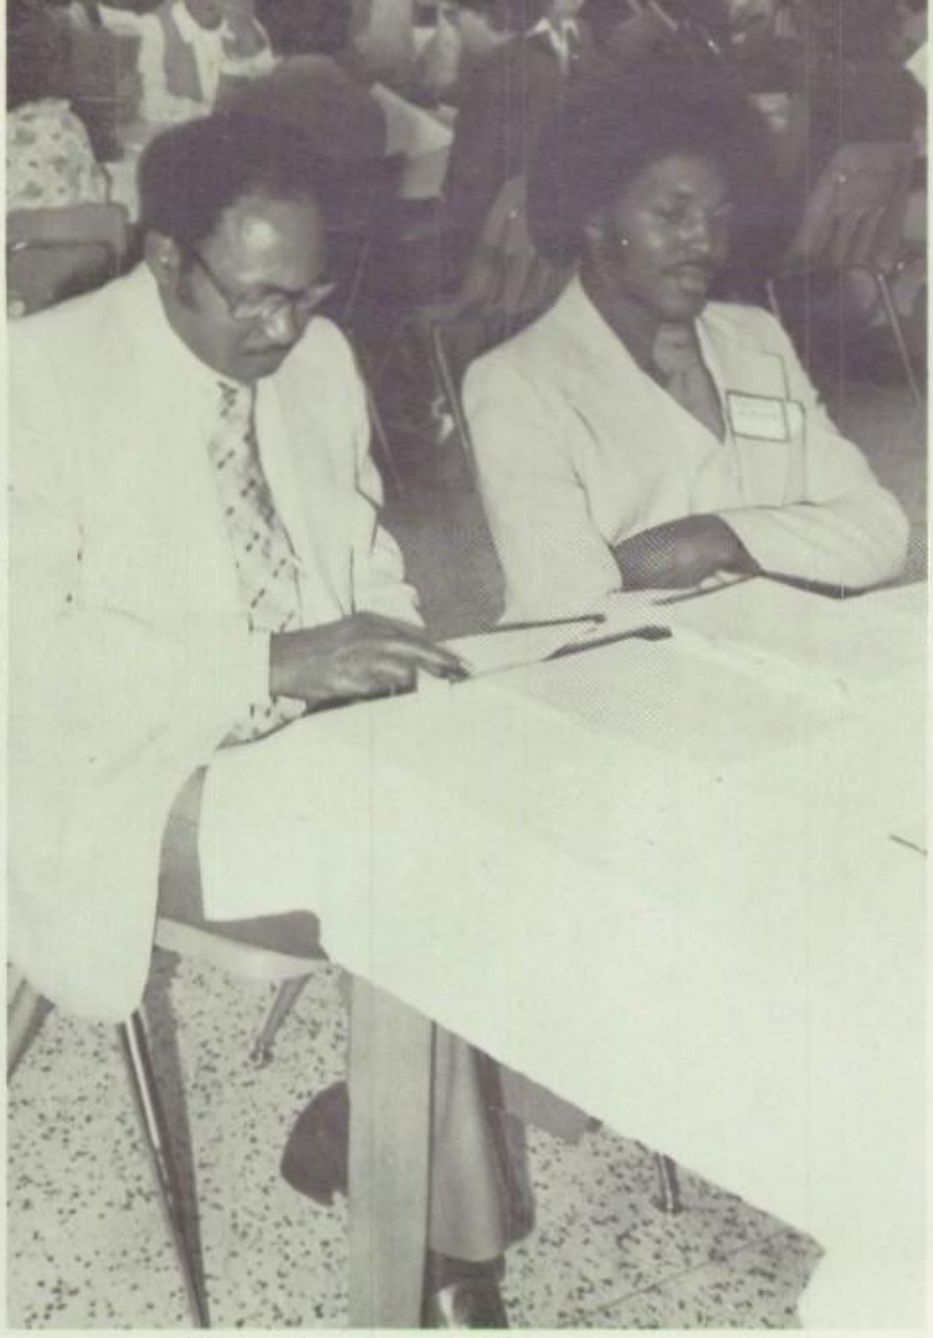
On Tuesday evening October 3rd, the PTA gave a spaghetti dinner for Srs. and their parents. Mr. Minton, the Sr. Sponsor, and Miss Hale, a counselor, explained the cost procedure and plans for graduation. The food was great and the program was very informative, a good time was had by all.

We wanna munch.

1..2..3.. Dig in!

Seniors display beautiful table manners.

Friends, Romans, Contrymen . . .



Why did we have to bring our parents?

Being a Sr. costs how much?!?

Miss Hale hands out Sr. Bible.

Seniors enjoy spaghetti dinner.

AFTER HOURS

Ready for a night out on the town.

Mark works hard at K.G. Men's Store.

Meg tries to play the piano but keeps getting interrupted.

Do we carry what?!

Karen shows us her airplane.

Greg runs a taxi service after school.

. . . and I want . . .

A youth fellowship meeting?

Mam, this just won't fit.

Just swinging around.

DANCE, DANCE, DANCE

I've got the moves!!

Three of Carter's clubs raised money for the needy by participating in different activities involving dancing. The Key Club and Creative Writing Club sponsored sock hops, and charged a can of food for admission. The food was given to various families at Thanksgiving and Christmas. Several DECA Club members had a good time raising money for Muscular Dystrophy by participating in a dance marathon. These are just a few ways Carter students helped others this year.

Creative Writing Club gets good response.

The sperm!!

Look at us, aren't we something.

David's doing it!!

Across the city all cheerleaders dance!

Our new Superintendent, Linus Wright, gives pep talk.

Are we winning?

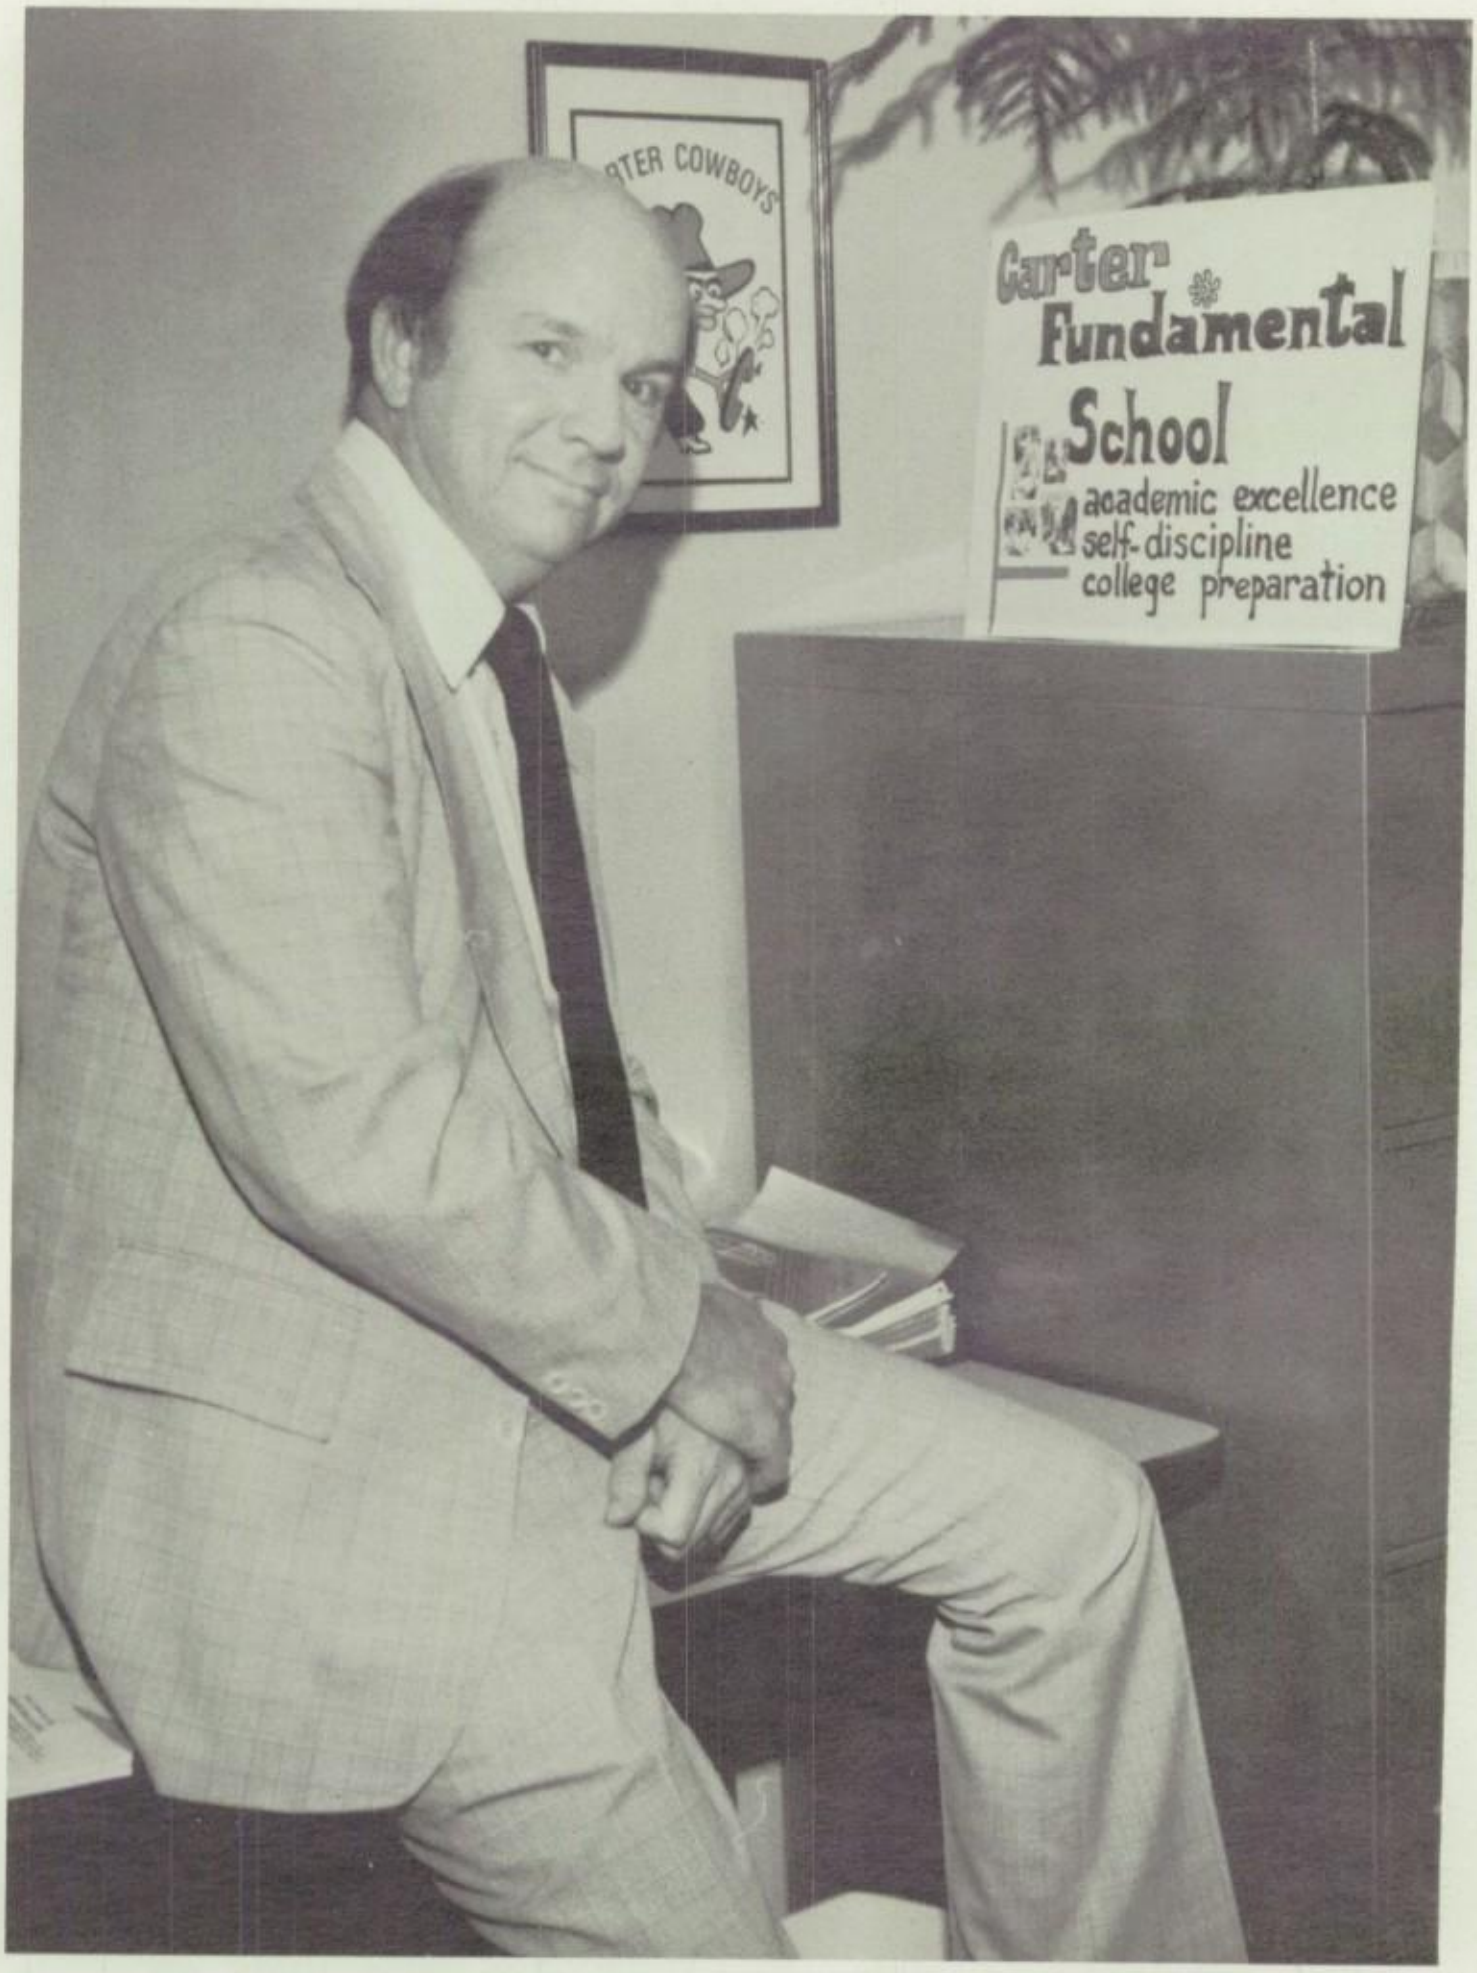
The Faculty — The catalysts of students' thoughts. They are the people who nudge the students beyond themselves. They are the same who open doors to a better future for the students of Carter High School. The faculty and staff of Carter work to shape responsible, well-rounded youth.

Diane Robertson — Editor

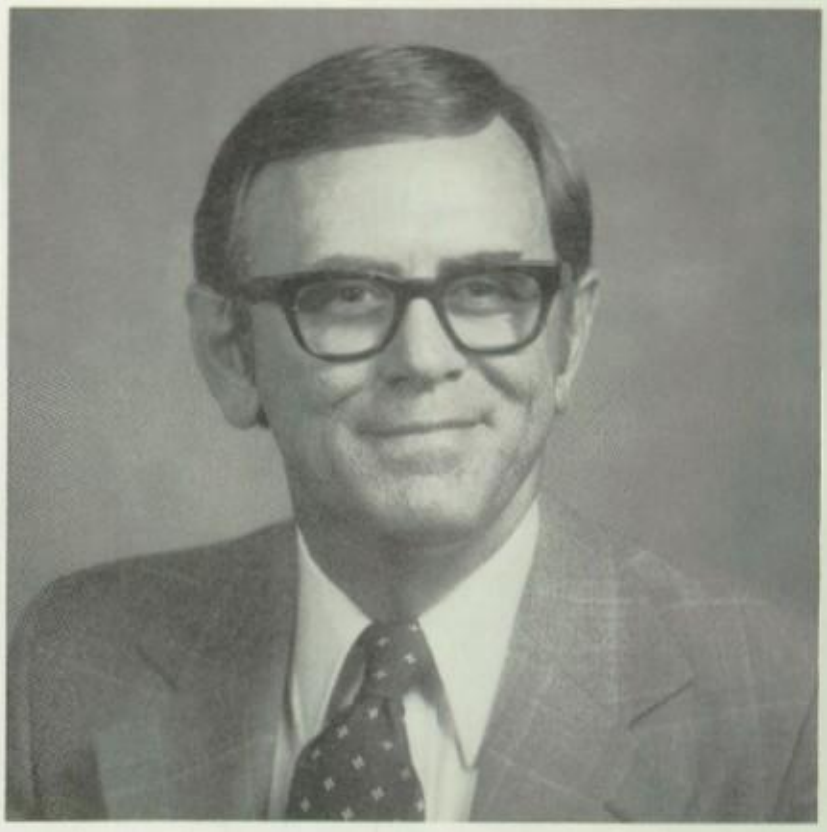
Dr. Jim Hughey came to us from Greiner Middle School. He was asked to accept the position of Principal at Carter High which he, fortunately, accepted. "Principal" is defined as one who shows guidance, leadership, care, a sense of humor, and toleration and patience at a super-human level. He has managed these qualities like a pro, but our Dr. Hughey has never done what is expected of him, he has always done more. This man tackled a totally new set of responsibilities, a completely new group of employees and students, and because of his success, has entered the hearts of everyone at Carter High School. Our new trail-boss is most assuredly congratulated and appreciated whether verbally or just in our souls. Carter is proud of you, James Hughey!



Principal of the "school-within-a-school" — Leonard Trapp. This is Mr. Trapp's second year to be associate principal of Carter High School. Through his observations, understanding, quick-thinking, and knowledge, he built the Fundamental School, supported it, and promoted it. We thank you Mr. Trapp for your devotion to Carter.

Diane Robertson

At Carter, we have three assistant principals. The first of these is Robert Parrish, Dean of Instruction. His duties are planning the curriculum and organizing the teachers, as well as enforcing student discipline.



Edward Price is the second of our team of three. His main concern is seeing the students get the best education possible. He accomplishes this by apprehending the strays and putting them in their places, or removing the problems in order to keep them from disturbing others.

The last of our trio, Melvin Traylor, definitely is not to be considered the least. Mr. Traylor is mainly involved with student relations. He has an active part in various organizations, though he also deals with the students and their individual problems.

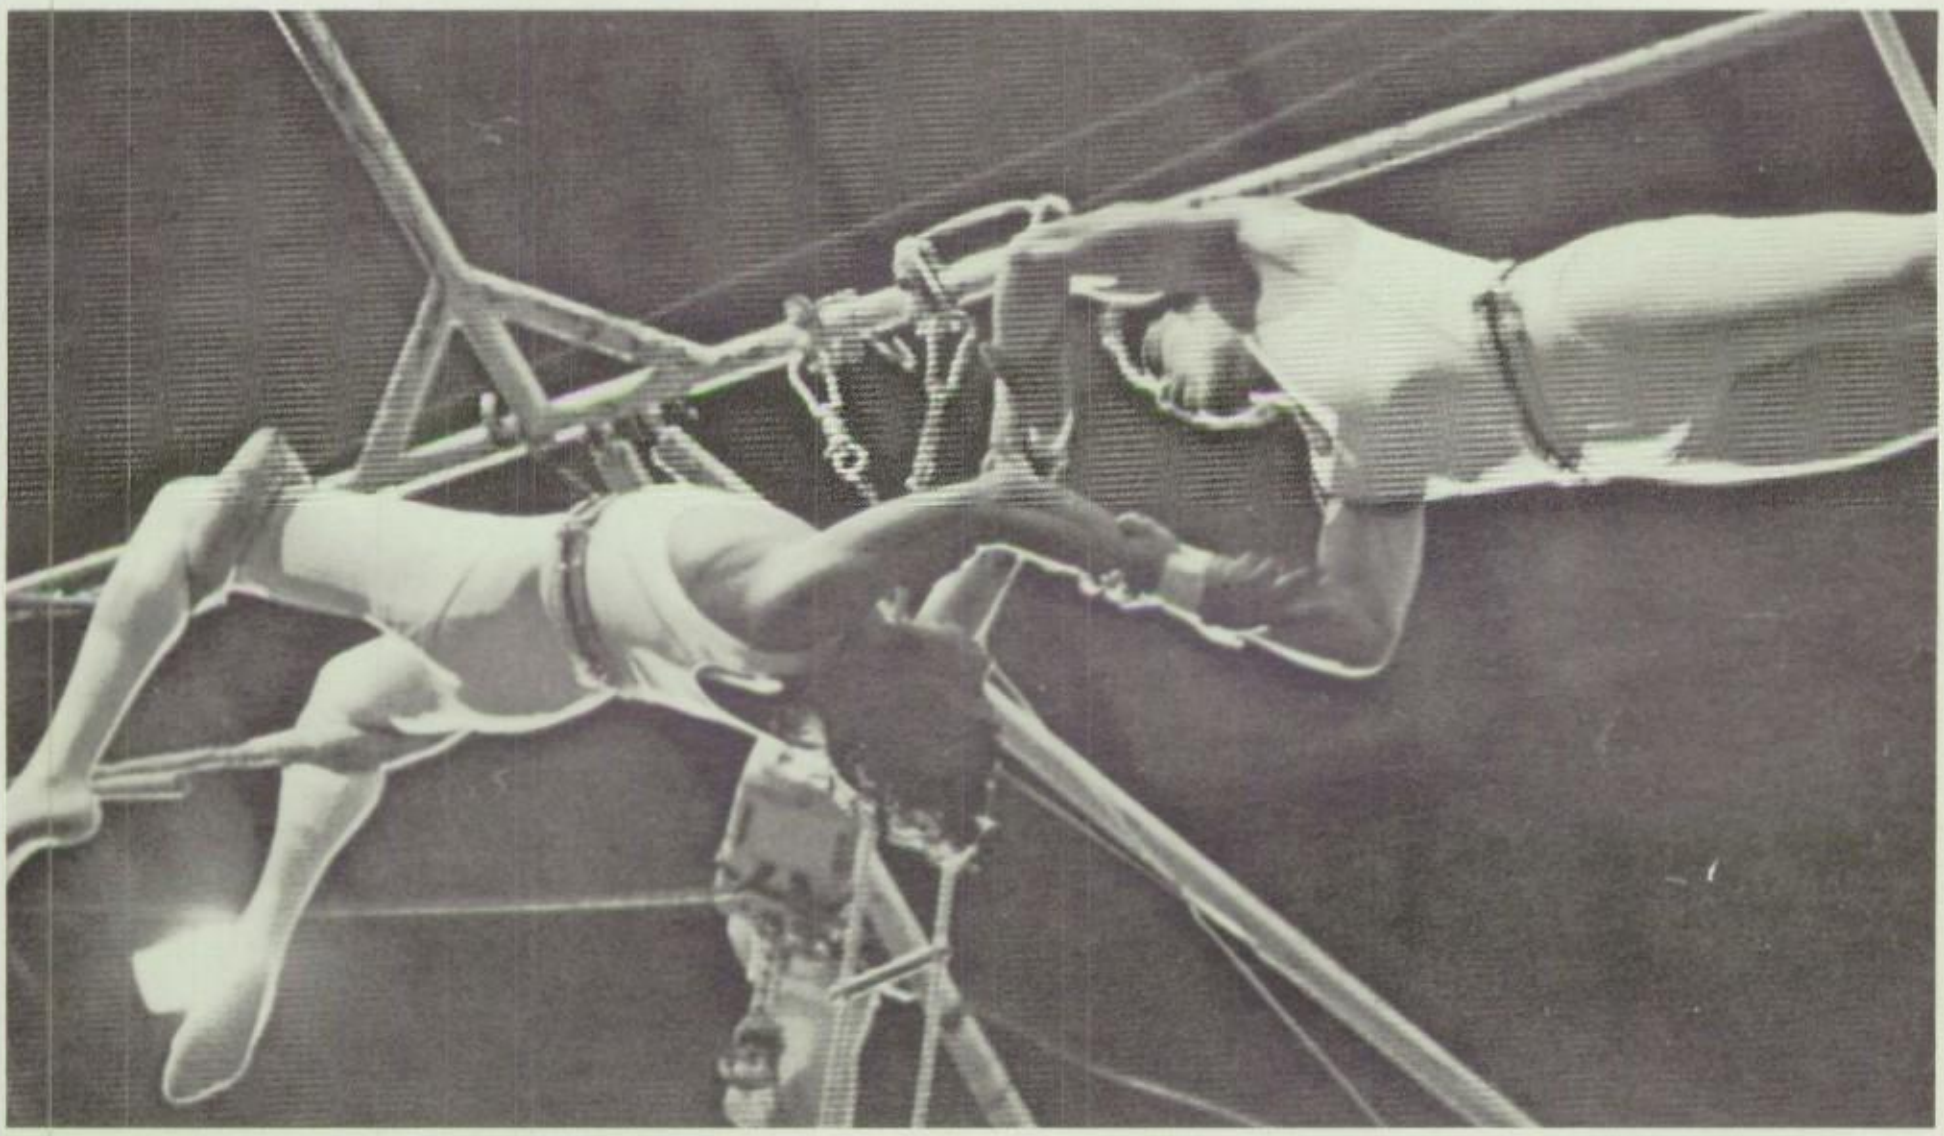
TROUPES IN ACTION



The extra mile, extra time and work are the features that make the members of Carter's organizations unique. The student's high level of involvement and interest in school spirit. Sponsors and students alike exhibit this willingness to give of themselves. These extra-curricular activities expand the students' knowledge and enhance their character.

VARSITY CHEERLEADERS

Capt. — Roslyn Echols

top to bottom: Martina Rendon, Stephanie Williams, Roslyn Echols, Annette Pankey, Kathy Fleming, and Torie Cornelius.

This year's Varsity cheerleaders have supported all Varsity teams throughout the school.

They attended cheerleader camp this summer at the University of Texas at Austin where they won the spirit stick, 2 spirit, 2 overall excellence, and 2 execution ribbons. They also were chosen friendliest squad out of the thirty squads present. They are just one more reason Carter is number one.

Cheerleaders display some of the awards won at camp.

These seven young ladies devote their spare time to inspire our J.V. football team. Their hard work and unfailing spirit during the football season will be remembered.

The Carter Student Council involves itself in many activities. Most of the creative ideas are put to use for the betterment of school facilities, policies, and activities. These young people are responsible for many school-uniting events, such as: the 50's dance, the high school orientation for Atwell and Hulcy, Valentine's goodies, and many more. This preparation for future responsibilities helps to build outstanding character in our students.

TUTORS 78-79

Tutoring is helping other students on a one to one basis. It's a method involving placing students in a separate room that is free of the traditional classroom atmosphere. They can laugh, move about, and even visit with other students to feel relaxed and to get acquainted. Tutoring is a rewarding experience for anyone who is in the program.

DOGS WALKED WHILE VIKES DROWN

Cobb Field was the sight of the first Cowboy victory of the year. The victory came at the expense of the North Dallas Bulldogs. The Bulldogs were never in the game. One reason is because the Cowboy offensive line consisting of Andy Bond, Phillip Boren, Kevin Harris, Lonnie Burgess, Martin Cantu, and Edward Denwitty literally blew the Bulldogs off the field. This left plenty of room for Charles Wagoner to romp.

The defense played a strong role, too. They kept the Bulldogs in the doghouse all night long. It was a great victory for the Pokes-Carter 48-North Dallas 0.

The second game of the year was at Sprague. The story was the same. The Cowboys mauled the Pinkston Vikings 53-0. This game saw William Marlowe score three touchdowns. David Hines kicked a 32 yard field goal, and Barry Samples intercepted his first pass. It was apparent that the Cowboys were for real. After two games they had scored 101 points and had given up 0.

TROJANS AND LEOPARDS TROUNCED

The third straight victory of the year came when the Cowboys met the Madison Trojans. After a slow start the motor fired up, and the "Big Wag" got rolling. Wagoner then proceeded to help the Cowboys down the Trojans 28-7.

Defense again played an important role in the devastating win over the Trojans. Cowboy linebackers Leonard Anderson, Greg Chapman, and Damon Crow kept the Trojan running game shut down all night. This left the Trojans with no other choice than to try the air. This tactic left way for Barry Samples, Dalton Jackson, and Jimmy Toleston to each pull down an interception.

After the Cowboys pulled out a great comeback victory over the Roosevelt Mustangs they took on the Adamson Leopards at Sprague Field. The first two times the Cowboys snapped the ball, William Marlowe scored two touchdowns on runs of 56 and 44 yards. Next, Victor Jackson scored on a 41 yard pass from David Roberson, and not too long after that Dalton Jackson scored on a one yard run to close the first half.

In the second half Anthony Hamilton scored on a 21 yard pass from Roberson. Then Charles Wagoner broke loose on a 75 yard touchdown run. Victor Jackson intercepted a Leopard pass and went 43 yards for the game ending touchdown. Final score 48-9. Martin Cantu said it best when he said, "It was a track meet on the gridiron."

Seven points down and time running out in the fourth quarter.

The Cowboys were in a pretty rugged situation. However, they came through with a 21 point rally in the last six minutes to make their district record 4-0. The Cowboys entered the field of play in their newly acquired "Big Red" uniforms and jumped out to a 14-0 lead at the half. Charles Wagoner scored first on an eight yard run and then David Roberson scored on a three yard keeper with David Hines adding both extra points. After falling behind 21-14 to a NEW Mustang team, the Cowboys showed their heart and came storming back. First, a 93-yard kickoff return by do-it-all Victor Jackson, then a one yard plunge by Wagoner put the Pokes ahead. After Antoine Arbuckle intercepted a Mustang pass, William Marlowe scored on a one yard run with David Hines popping the cork to make it 35-21. It was a great day at the Cotton Bowl for the Pokes, and the first step in their conquest for the district 12-AAAA Championship.

I was only kidding guys.

LUCKY NO. SEVEN

The Cowboys entered Sprague Field on November 10, with their defense ranked fourth in the city, and their offense ranked third.

The Cowboy defense demonstrated their ranking by holding the Sunset Bison offense to just 7 first downs and 113 yards. The defense was led by punishing play from Captain Edward Denwitty and the always sparkling Damon "Holywood" Crow.

The Cowboy offense was very present that night. They racked up 418 yards. Charles Wagoner put the first Cowboy touchdown on the scoreboard by taking the ball in from three yards out. Wagoner scored again just before halftime, taking the ball around end for a five yard touchdown.

The second half turned out to be one of big plays. Anthony Hamilton caught a cross field pass from David Roberson, dodging Sunset players while he raced 64 yards to the end zone. The next big play was a 74 yard run by William Marlowe for the fourth Carter touchdown. Wagoner added another, his third of the night, when Rodney Henderson scored the Pokes won 38-7.

POKES TAKE TO THE AIR

It was Homecoming for the Carter Cowboys, and what a Homecoming it was. The Cowboys came home with a 41-7 victory over the Kimball Knights. The game was marred by penalties, but in between the whistles signaling infractions, were whistles signaling Cowboy touchdowns. The Pokes started the NIGHT off right when David Roberson threw a 48 yard touchdown pass to Anthony Hamilton for a quick 8-0 Cowboy lead. After the Knights scored to bring their score within one point, Hamilton came up with a deflected 18 yard pass, and turned it into an 18 yard touchdown pass. QB Davis Roberson scored himself on a three yard run, and later threw his last of three TD passes to Victor Jackson, to make the score 29-7. Charles Wagoner scored next on a three yard blast, then Greg Chapman intercepted a Knight pass and took it 35 yards to "pay dirt." Other scoring was done by David Hines who had three extra points, and Charles Wagoner, who had a two point conversion. It was another great victory for the Cowboys, and left them with an undefeated 6-0 district record.

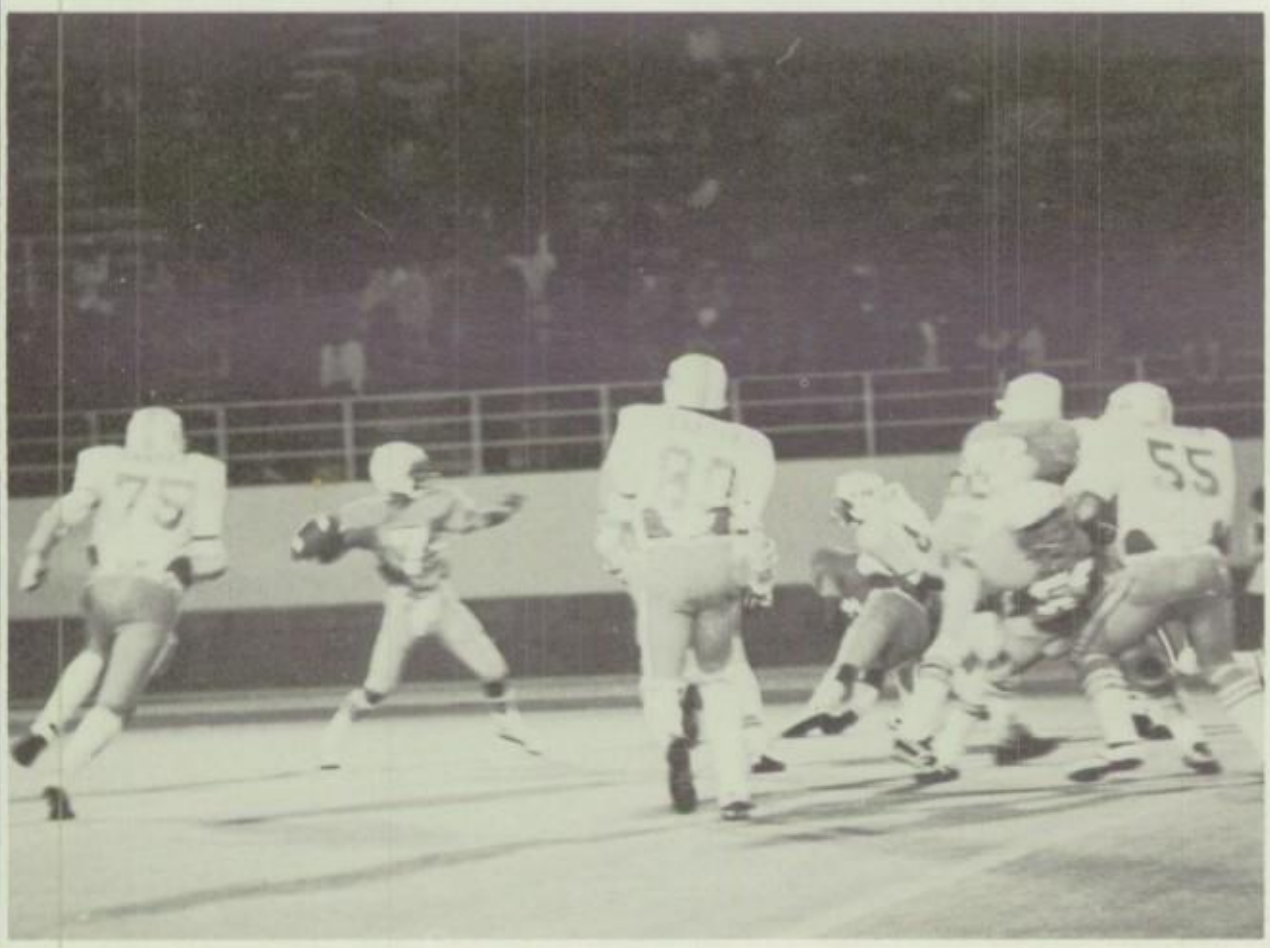
NO. 1 IN DISTRICT 12-AAAA

The Cowboys had their greatest night of the regular season by defeating the previously undefeated South Oak Cliff Bears 20-14 to give them the District 12-AAAA Championship. Both teams went into the game undefeated which set the stage for an exciting and crowded night at Sprague Field. The Cowboys fell behind early when SOC took the opening kick-off to the two, and scored to give SOC a 7-0 lead. Next, the angered Pokes scored on a one yard run by Charles Wagoner followed by a David Hines' extra point to tie the game 7-7. On the Cowboys next possession, they again scored. Again it was Wagoner. His 35 yard run put the Cowboys ahead 14-7. The most exciting play of the game came in the final seconds of the first half as Antoine Arbuckle caught a double reverse touchdown pass from Roberson to make the half time score 20-7. The second half was all Carter defense, except for a last minute touchdown by SOC to end the game and SOC's chances at 20-7. It was a memorable night for the Pokes as they walked away with the District 12-AAAA Championship.



We got him now.

CITY CHAMPIONS

Loos Stadium is the place and the date is November 24. Yes, this is tne night that the Carter Cowboys became City Champions.

W. T. White entered the game with a 10-0 record and a 10th placed ranking in the state. They also entered the game with a lot of confidence built up by the news media throughout the city. All the papers said they were AWESOME because they had the city's leading passer for their quarterback, and three better than average running backs. They had the home field advantage, and were said to have more size than the Pokes.

However, the Cowboys were not the least bit intimidated, only inspired. This feeling of inspiration spread from the football team to the many organizations, the student body, the faculty, and finally throughout all of District 12AAAA.

The game opened up with Carter fumbling the ball away three times. White capitalized on the fumbles, but could only manage a field goal. After "Coach of the Year" Jack Keck gave a quick lesson on holding on to the ball, the Cowboys drove 80 yards for a touchdown by a halfback pass from Charles Wagoner to the always dependable Victor Jackson. Jackson somehow out jumped an awesome Longhorn defensive back, that put the Cowboys ahead 6-3. The Carter lead was short-lived for on the Longhorns next set of downs they went 78 yards for a touchdown, and entered the locker room with a 10-6 half-time lead.

The third quarter was all defense and half of the fourth quarter was the same. The break came when the Longhorns were called for roughing Cowboy punter Martin Cantu. The Pokes had one last chance, and they took advantage of it. In the final minutes Wagoner went in from one yard out on fourth and goal. Roberson powered in for the two point conversion that put an end to White's hopes for the City Championship. The night was a memorable one, and so was the 14-10 score that made Carter's Cowboys Dallas' Champions.

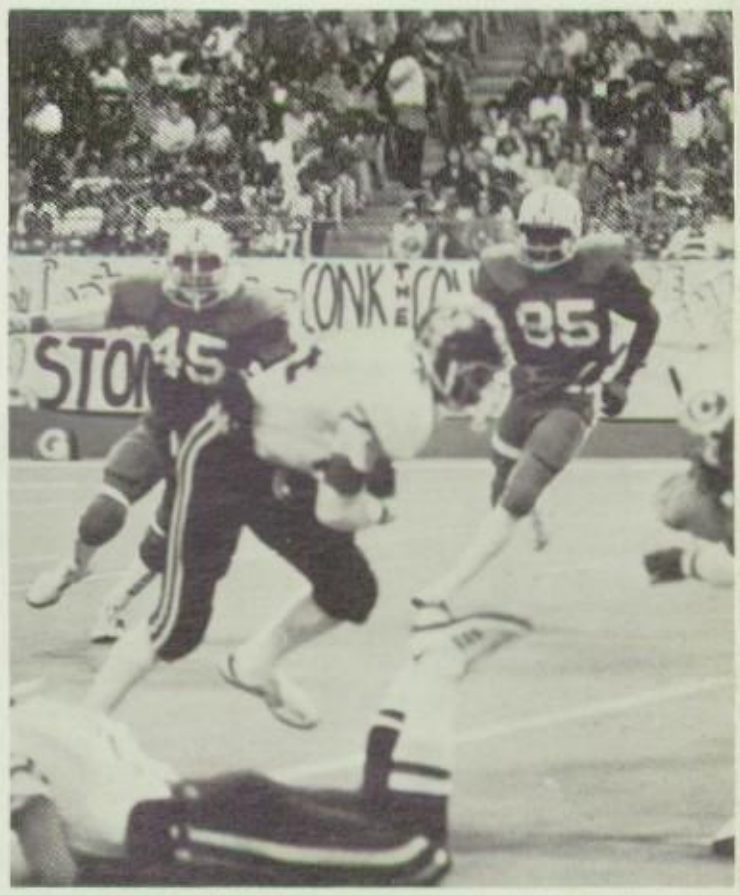
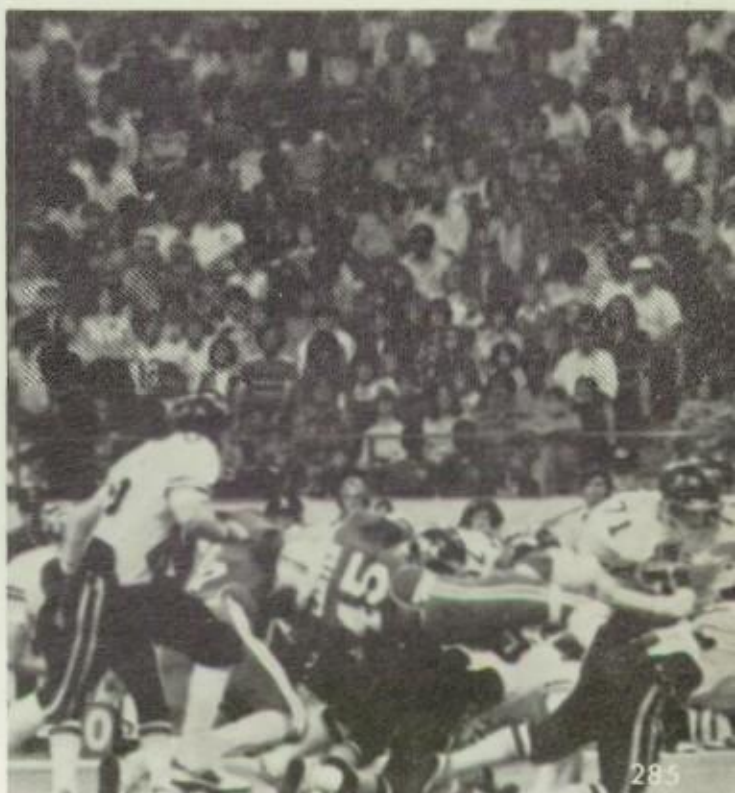
DEFENSE STUFFS OWLS

It was a beautiful night. The temperature was a pleasing 68°, and there were 14,635 people at Texas Stadium to watch the second ranked Owls of Garland get completely out-classed by an underdog Carter Cowboy team whose secret was unification and God's blessing. The Cowboys were led by a hellacious defense that held the Owls to just 34 yards of total offense. The Pokes were all over the Owl offense all night long. It was quite obvious that the Carter fans were more than satisfied for while our defense was sacking their quarterback and slamming their offensive line in the turf; the crowd was chanting "Herkie's a turkey". The Cowboy offense wasn't too shabby either. They scored two touchdowns in the first quarter which proved to be enough to win. The first touchdown came on a 10 yard by QB David Roberson, and the second a 43 yard bomb to Anthony Hamilton. It was a night to remember: the night the Cowboys claimed the State 4A Regional Championship.



Give us back our sack lunch.



THE LAST HURRAH

This was the end of the line. The last game of the 1978-1979 Carter Cowboy football team. It was a heart-breaking loss for the Cowboys because they had come so far. They had already played four games as underdogs and won. Going into Texas Stadium in the Quarter Final match up with Plano we were again the underdogs.

The game was up for grabs until the end of the fourth quarter when the Cowboys could not score on fourth and goal. After that it was all Plano.

Even though the team did not win the season will always be remembered as one of the all time great ones. The Carter Cowboys were indeed Champions.

Gnat opens the show.

Love Is Forever

WORDS OF INSPIRATION OF TWO SPECIAL FRIENDS

We've been good friends for quite some time
I'm proud it's been so long.
And memories keep flashing by
They're good and sweet and strong.
We've shared our hopes and dreams and fears in confidence so true,
I don't think there's a single thing I couldn't tell to you.
And lots of those dreams that we shared have come true in the light.
And hopes we talked of long ago have turned out just right.

You make all your friends feel they are
special.
For each to you has his own worth.
I know that I cherish your friendship far
more than any other on earth.

For friendship is a sheltering place.
It's pillars always hold.
And never do come tumbling down —
To leave one in the cold.

I send my love and I will think about
you on this day.
For I thank God that you were born
and friendship came our way.
